Elite Dental Implant Center Wins 2022 Best Dentistry Award

The Best Dentistry Awards judging panel honored Elite Dental Implant Center with the 2022 Best Dentistry Award based on their outstanding service and patient satisfaction over the last year.

Competition for the award was high due to the businesses opening in the area, despite the downturn recently in commerce due to the pandemic. Several businesses stood out from the crowd, but Elite Dental Implant Center came out on top.

Partnering with only the best businesses, The Best Dentistry Awards works with one winner in each major city throughout the country. This winner is selected annually and receives various perks including an exclusive business listing, a website badge, award certificate, social media graphics, and more.

The Best Dentistry Awards wishes the best for Elite Dental Implant Center in 2022 and a sincere congratulations on their winning of this prestigious award.
